

DataScience ● AI 2018

You are cordially invited to the wedding of
Data Science and **Artificial Intelligence**

Program info: <http://datascience.sehir.edu.tr/dsai2018>

August 4th, 2018 İstanbul Şehir University Dragos Campus AB7-7302

The program features exciting talks from industry leading data experts,
and a provocative panel on Data Economy.

We would be thrilled to see you among us. There will be talent hunters
in the crowd; so we advise you to be an active participant.

*Computer Science and Engineering Department
Data Science Master's Degree Program*
